

Diagram illustrating the structure of a questionnaire, divided into two main sections: **Principales** and **Secondaires**.

The **Principales** section is further divided into two columns: **1** and **K**. The **Secondaires** section is further divided into two columns: **1** and **K'**.

A horizontal dashed line labeled **oui/non** runs across the middle of the **Principales** section.

The **Secondaires** section is shaded gray.

The label **Individus** is on the left, and **Questions** is at the top.

Diagram illustrating the structure of a questionnaire, divided into two main sections: **Principales** and **Secondaires**.

The **Principales** section is further divided into two columns: **1** and **K**. The **Secondaires** section is further divided into two columns: **1** and **K'**.

A horizontal dashed line labeled **oui/non** runs across the middle of the **Principales** section.

The **Secondaires** section is shaded gray.

The label **Individus** is on the left, and **Questions** is at the top.

Diagram illustrating the structure of a questionnaire, showing the relationship between **Individus** (Individuals) and **Questions**.

The questionnaire is organized into two main sections:

- Principales** (Main Questions): This section is divided into two columns: **1** and **K**. A horizontal dashed line labeled **oui/non** (yes/no) runs across the middle of this section.
- Secondaires** (Secondary Questions): This section is divided into two columns: **1** and **K'**. This entire section is shaded gray.

The vertical axis represents **Individus** (Individuals), with labels **1** at the top and **I** at the bottom. The horizontal axis represents **Questions** (Questions).

Diagram illustrating the structure of a questionnaire, categorized by **Questions** (Principales and Secondaires) and **Individus** (Individuals).

The structure is defined by the following labels and dimensions:

- Questions (Columns):**
  - Principales:** Divided into columns labeled  $1$  and  $K$ .
  - Secondaires:** Divided into columns labeled  $1$  and  $K'$ .
- Individus (Rows):**
  - Row  $1$  is the top row.
  - Row  $I$  is the bottom row.
- Content Area:** A dashed line labeled *oui/non* indicates a response area within the **Principales** section.
- Shading:** The **Secondaires** section (columns  $1$  and  $K'$ ) is shaded gray.
